Your Donation at Work in Your Community

No doubt about it, 2020 was a tough year for everyone. Not a single person was able to escape the pressure put on us by Covid-19. But through it all the Canton Police were there to serve our community. Each day they were on the front lines. **Now it's time for us to give back.**

Each year the Canton Community Foundation hosts its charity golf outing which benefits the Canton Police Benevolence Fund. Funds raised are used to support the families of officers who are injured or killed in the line of duty as well as offer assistance to residents in critical need. Your sponsorship dollars have helped residents struggling with food insecurity, transportation in order to keep their jobs, basic human needs following house fires, and so much more. This fund is also used to help local students through the Canton Police Benevolence annual scholarship.

If you have ever thought, "how can I help?" THIS IS HOW!
